INDEX

Abraham Flexner Lecture, 749
Abramson, Harold, and Fuerst, H. T., 677
Abt, Arthur F., and Abt, I. A., 238
Abt, Isaac A., 361
  and Abt, A. F., 238
Accident, child, reduction: challenge to pediatrician, 367
  injuries in epileptic children, 85
Acidosis and alkalosis, (RTD), 584
Adams, Forrest H., Adams, J. M., Kabler, P., and Cooney, Marian, 511
  John M., Adams, F. H., Kabler, P., and Cooney, Marian, 511
Address changes of members of A.A.P., 131
Adjustment in childhood, paranatal factors affecting, 154
Adolescence and childhood, growth of heart related to bodily growth during, 382
Agglutinins, occurrence of, in normal and abnormal conditions, 410
Aikman, John, 143, 209, 362
Aisenson, Milton R., 85
Aldrich, C. Anderson, 107, 237
  and Hewitt, Edith S., 69
Alkalosis and acidosis (RTD), 584
Allen, Frederick H., 708
Alloys, metal, oligodynamic action of metallic elements and, on certain bacteria and viruses; in virtro observations, 272
Alveolus, dysplasia congenital of, developmental anomaly involving pulmonary alveoli, 43
American Academy of Pediatrics, proceedings and reports, 89, 207, 321, 443, 584, 699
  Areal Meeting, eastern, 699
  Committee, budget report, 444
  Committee, building report, 467
    on care of European children, report, 464
    to confer with Trustees of A.M.A., report, 453
    on contact infections, report, 458
    on cooperation with government and medical agencies report, 460
    on cooperation with nonmedical groups, report, 459
    on fetus and newborn, report, 461
    on hospitals and dispensaries, report, 461
    for improvement of child health, report, 455
      resolutions passed by, 462
    investigating sections and affiliate membership in Academy, report, 457
    on legislation, report, 456
    on medical education report, 461
    on mental health, report, 462
    on mother's milk bureaus, report, 462
    on pan-american scholarships, report, 464
    on post-war courses in pediatrics, report, 464
    Program Committee, report, 464
    on rheumatic fever, report, 463
    on school health, report, 459
    on school health and committee on rheumatic fever, special report, 321
    for study of child health services, report, 453
    on tumor registry, report, 465
  District I, report, 450
  District II, report, 451
  District III, report, 451
  District IV, report, 451
  District V, report, 452
  District VI, report, 452
  District VII, report, 452
  District VIII, report, 452
  District IX, report, 453
  Editorial Board report, 469
  Executive Board, report, Buffalo, N.Y., 207
    report, Milwaukee, Wis., 443
  Publication committee, report, 467
  Round Table Discussions, 119, 209, 335, 469, 584, 709, 722
  Secretary, report of, 448
  Statement by Maryland members of, 222
  Treasurer, report of, 449
American association of blood banks, 466
American Board of Pediatrics, 362, 635
American Pediatric Society, 236
Amesse, John W., 238
Amigen, oral and streptomycin mixture, treatment of infantile diarrhea with, 1
Ammonium chloride, response of young infants to ingestion of, 290
Anderson, Charles E., Jr., Levy, H. B., and Coffey, J. D., 688
Anderson, Donald, G., 611
Anderson, John A., 458
Anemia, liver deficiency, in childhood, 702
Angiocardiography and cardiac catheterization in diagnosis of congenital anomalies of cardiovascular system, combined use of, 643
Ankyloglossia (tongue-tie) congenital, associated with retruded mandible, glossoptosis, and palatum fissum (cleft palate), 685
Announcements and news, 143, 236, 361, 498, 635, 747
Anomaly, congenital cardiovascular system, combined use of angiocardiography and cardiac catheterization in diagnosis of, 643
Anomaly, congenital of heart, and blood vessels, catheterization, 704
  congenital, of heart and vessels, diagnosis and prognosis of 704
  lungs, congenital, alveolar dysplasia of, 43
Areal meeting, eastern, 699
Ariztía, Aníbal, and Garcés, C., 525
Artery, pulmonary congenital stenosis, 328
  pulmonary, surgical treatment of congenital stenosis, 331
Arthritis, juvenile rheumatoid, 694, 706
Asphyxia in infancy, childhood behavior sequelae of, 74

neonatorum, pertussis and, childhood behavior sequelae of asphyxia in infancy with special reference to, 74
Asthma in children (RTD), 119
chronic, management of child with, 706

Baby, first two years, (BR), 238
Bacteria and virus, oligodynamic action of metallic elements and of metal alloys on certain, 272
Baggenstoss, Archie H., Power, M. H., and Grindlay, J. H., 435
Bain, Katherine, 98, 313
Barba, Philip S., 451
Baumgartner, Leona, 138, 231, 498, 509, 634, 744
Baylor University, 498
BCG vaccination against tuberculosis, 708
Beaven, Paul, 451
Coe, H. E., and Ratner, B., 458
Behavior childhood, sequelae of asphyxia in infancy and, 74
Belford, William W., 129
Benjamin, Helen R., McNamara, Helen, and Gordon, H. H., 290
Beverly, Bert I., 639
Bing, Richard Jr., 330
Birdsong, McLemore, 751
Birkhaug, Konrad, 708
Black, J. Harvey, 124
Blattner, Russell J., 469
Blindness, in a patient treated with trimethadione, severe erythemia multiforme of pluriorificial type resulting in, 30
Blood plasma and serum, electrophoretic patterns in normal children, 570
electrophoretic patterns of, in rheumatic fever, 577
vessels, anomaly of heart and, congenital catheterization, 704
vessels, diagnosis and prognosis of congenital disease of heart and, 704
Bloxsom, Allen, and Powell, N., 567
Blue shield, or compulsory government insurance, 615
Body fluids, extracellular, volume of in malnutrition, 21
Boivert, Paul L., and Walcher, D. N., 24
Bone, multiple cystic tuberculosis of, 673
Book Reviews, 141, 237, 365, 505, 639, 750
Baby's First two years, 238
Books, American children through their, 366
Conference on methods for evaluating nutritional status of mothers, infants and children, 365
Development, postnatal, of human cerebral cortex, 506
Diet of newborns, 751
Diseases and weather of South Carolina, account of, 505
Give your child a chance, 237
Growth, psychology of, 639
History of Children's hospital of Denver, Colorado, 238
Muscle testing, 506
Nutrition of newborn, 238
Office manual for medical secretary, 237
Pathology of nutritional diseases, 237
Pediatrics, 1947 year book of, 238
Psychiatric examination of school child, 750
Psychiatry for pediatrician, 505
Psychotherapy, teaching psychotherapeutic medicine, 640
Skin manifestations of internal disorders (dermadromes), 750
Stethoscopic heart records, 238
Tuberculosis, 639
Tuberculosis, skeletal, 365
U. S. Children's Bureau, 640
Bost, Crawford, 128
Bottle, cup and breast feeding effects of, on oral activities of newborn infants, 549
Bradley, Charles and Rosenfeld, G. B., 74
Breast feeding, cup, bottle, effects of, on oral activities of newborn infants, 549
incidence of in hospitals in United States, 313
British health act, pediatric services under, 500
British Medical Association, section of child health, report of meeting, 363
Brodbeck, Arthur J., Davis, H. V., Sears, R. R., and Miller, H. C., 549
Brown, John E., Jr., 459
Bruce, James W., 452
Bruch, Hilde, and McCune, D. J., 405
Budget Committee, report of, 444
Butler, Allan M., 506, 615, 701

Canadian Society for Study of Diseases of Children, 363
Cancer, childhood, newer agents in treatment of, 702
Carbohydrate metabolism, disturbances in, 703
Cardiovascular system, combined use of angiocardiography and cardiac catheterization in diagnosis of congential anomalies of, 643
Caries, dental (BR), 141
Carlson, Harve, J., McKhann, C. F., and Douglas, Harriet, 272
Catheterization, cardiac, and angiocardiography, combined use of, in diagnosis of congenital anomalies of cardiovascular system, 643
Catheterization of heart and other physiologic procedures in diagnosis of congenital heart disease, value of, 330
of congenital heart and blood vessels, 704
Caulfield, Ernest, 366, 506
Central nervous system, virus diseases of; scope and limitations of specific diagnostic methods, 625
Cerebrum, postnatal development of human cerebral cortex; cortex of three month infant, (BR), 506
Chalmers, Lionel, 505
Child, give your a chance, (BR), 237

management of, with chronic asthma, 706
school, psychiatric examination of, (BR), 750
school, rheumatic fever and, 321
Childhood and adolescence, growth of heart related to bodily growth during, 382
and infancy, liver deficiency anemia in, 702
recognition and treatment of increased intracranial pressure in, 533, 707
paranatal factors affecting adjustment in, 154
rheumatic pneumonitis in, 688
Children, asthma in, (RTD), 119
hemolytic streptococcal vaginitis in, 24
American, through their books, (BR), 366
epileptic accidental injuries in, 85
normal, and children with various diseases, absorption of oily and aqueous preparations of ester and alcohol vitamin A by, 652
Children and infants, immunologic and biochemical studies in, with special reference to rheumatic fever, I. Role of genetic susceptibility, 239
II. Complement titers in normal conditions, 242
III. Complement titers in abnormal conditions, 248
IV. Occurrence of agglutinins in normal and abnormal conditions, 410
V. Electrophoretic patterns in blood plasma and serum in normal children, 570
Children and infants, management of heart failure in, 705
subcutaneous administration of sulfadiazine-sulfamerazine combination in, 58
toxoplasmosis in, 511
German, U. N.'s children's fund aids, 504
normal, electrophoretic patterns in blood plasma and serum in, 570
Children's fund, U. N., aids German children, 504
Hospital of Denver, Colorado, history of, (BR), 238
Chun, Lin T., and May, H., 685
Circulation, fluorescein times in diphtheria, 303
Clay, Augusta Stuart, 200
Clifford, Stewart H., 97, 321, 461
Clinics, well baby, outlines for, 69
Cobb, Sidney, and Hodes, H. L., 303
Cobley, George, Goettsch, Elvira, and Mulloy, M., 1
Coccidioidomycosis and histoplasmosis, systematic mycoses (RTD), 709
Coe, Herbert E., Ratner, B., and Beaven, P. W., 458
Coffey, John D., Levy, H. B., and Anderson, C. E., Jr., 688
Colorado State Department of Health, 498
Columbia University, 498
Coma, diabetic parenteral therapy in, 701
Committee, budget, report, 444
on building, report, 467
on care of European children, report, 464
to confer with Trustees of A.M.A., report, 453
on contact infections, report, 458
on cooperation with government and medical agencies, report, 460
on cooperation with nonmedical groups, report, 459
on fetus and newborn, report, 461
on fetus and newborn, communication from, 324
on hospitals and dispensaries, report, 461
for improvement of child health, report, 455
for improvement of child health, resolutions presented by, 462
investigating sections and affiliate membership in Academy, report, 457
on legislation, report, 456
on maternal and child health, report, 734
on medical education, report, 461
on mental health, report, 462
on mother's milk bureaus, report, 462
on pan-American scholarships, report, 464
on post-war courses in pediatrics, report, 464
Program committee, report, 464
on rheumatic fever and on school health, special reports of, 321
rheumatic fever, report, 463
on school health, report, 459
for study of child health services, report, 453
on tumor registry, report, 465
Communicable disease, incidence of in United States, 138, 233, 509, 634, 745
Communication, from committee on fetus and newborn, 324
Complement, titers of, in normal conditions, 242
Conel, J. LeRoy, 506
Conklin, Coursen B., 456
Conference on methods for evaluating nutritional status of mothers, infants and children (BR), 365
Cooney, Marion, Adams, F. H., Adams, J. M., and Kabler, P., 511
Cortex, of three month infant, postnatal development of human cerebral, (BR), 506
Creak, Mildred, 638
Crippled Children's Services, 734
Croup, infectious, etiology, 255
hemophilus influenzae type B croup, 559
Virus croup, 415
Cup, bottle and breast feeding, effects of, on oral activities of newborn infants, 549
feeding of newborn infants, 544

Daniels, Lucille, Williams, Marian, and Worthingham, Catherine, 506
Danis, Peter, G., 461
Dargeon, Harold W., 466, 702
Davidson, Leonard, 635
Davis, Herbert V., Sears, R. R., Miller, H. C., and Brodbeck, A. J., 549
Davis, Hugh J., Ross, S., and McLendon, P. A., 163
Davison, Wilbert C., 480

Deamer, William C., 125
Deformities, congenital, management of in pediatrics, 706
deGara, Paul F., 410
and Goldberg, H. P., 242, 248
Dentistry, dental caries (BR), 141
Dermadromes, internal disorders, skin manifestations of (BR), 750
Development, recording of second twelve months, 69
postnatal, of human cerebral cortex, cortex of three month infant (BR), 506
Diabetes, parenteral therapy in coma, 701
Diamond, Louis K., 520
Diarrhea, acute, in infancy, 525
Diarrhea and dysentery, infantile, management of (RTD), 335
nausea, vomiting, outbreak of on maternity service transmitted to a child caring institution and to private homes, 677
infantile, treatment of, with streptomycin and an oral amigen mixture, 1
Diphtheria, fluorescein circulation times in, 303
di Sant'Agnese, Paul A., 750
Disease, internal, skin manifestations of (BR), 750
Dodd, Katharine, 703, 737
Douglas, Harriet, McKhann, C. F., and Carlson, H. J., 272
Downing, Daniel F., and Kreidberg, M. B., 673
Dry, Thomas J., 329
Ductus arteriosus, patent, diagnosis and surgical management of, 325
Dysentery and diarrhea, infantile, management of (RTD), 335

Economics and pediatrics, 89
Economics, pediatric, 708
Editorial, 144, 367
Editorial Board report, 468
Electroencephalography in child neurology and psychiatry, 707
Electrophoretic patterns in blood plasma and serum in normal children, 570
in rheumatic children, 577
Elements, metallic, oligodynamic action of, and of metal alloys on certain bacteria and viruses; in vitro observations, 272
Eliot, Martha M., 363, 499
Ellis, Richard W. B., 504
Emergencies, pediatrics (RTD), 209
Emerson, Haven, 231
Encephalopathology, specific diagnostic method in virus, 707
England, news from, 637
Erickson, Agnes, Freeman, M. H., and Markwich, Evangeline, 237
Erythroblastosis fetalis, replacement transfusion as treatment for, 520
reproductive histories of mothers of 322 infants with, 369
Erythema multiforme, severe, pluriorificial type (Stevens-Johnson syndrome), resulting in blindness in a patient treated with trimethadione, 30
Executive Board report, 443

Faber, Harold K., 751
Facilities, for care of newborn infants, program to develop and improve, 106
program to develop and improve, for care of newborn infants—full term and premature (Panel Discussion), 97
Factors, paranatal, affecting adjustment in childhood, 154
Families, poliomyelitis in, attacked by the disease, 190
Federal government, functions of, in protecting newborn and in developing and improving facilities for care of full-term and premature infants, 98
Feeding, cup, of newborn infants, 544
Fever, Rocky mountain spotted, para-aminobenzoic acid in treatment of, 163
Fluorescein, circulation times of in diphtheria, 303
Fracture of anterior spine of ilium, 186
Fredeen, Robert, C., 544
Freeman, M. Herbert, Erickson, Agnes J., and Markwich, Evangeline, 237
Follis, Richard H., Jr., 237
Fuerst, Harold T., and Abramson, H., 677
Furcolow, Michael L., 712

Galactose intolerance, idiopathic, galactose studies in an infant with, 666
Gallagher, J. Roswell, 186, 236
Gamble, Thomas O., 356
Garbade, Francis A., 727
Garcés, Carlos, and Ariztía, A., 525
Garrison, Harvey F., 498
Geckeler, George M., 238
Genetics, susceptibility, role of, 239
Gibson, Stanley, 325, 328
Glaser, Jerome, 706
Glossoptosis, retruded mandible, and palatum fissum (cleft palate), congenital ankyloglossia (tongue-tie), associated with, 685
Goettsch, Elvira, Cobley, G., and Mulloy, M., 1
Goldberg, Henry P., and deGara, P. F., 242, 248
Gordon, Harry H., McNamara, Helen, and Benjamin, Helen R., 290
Gottlieb, Bernhard, 141
Great Britain, maternity homes in, 638
Green, William T., 706
Greenman, Lawrence, and Rathbun, J. C., 666
Gregory, John E., 703
Grindlay, John H., Baggenstoss, A. H., and Power, M. G., 435
Growth, bodily, during childhood and adolescence, growth of heart related to, 382
psychology of (BR), 639
Grulee, Clifford G., 448, 464

Guidance in maternal and infant care two months before and after birth of first-born, 200

Hall, Muriel Barton
Hamill, Samuel McC., 143
Harper, Paul, 350
and Park, E. A., 349, 480, 609, 731
Harris, Jerome S., London, A. H., McBryde, A., and Mulherin, P. A., 335
Harris, Ruth C., McDermott, T. F., and Montreuil, F. L., 175
Hartmann, Alexis F., 584, 703
Haviland, James W., 134
Hawley, Paul R., 615
Health departments, functions of state and local, in protecting newborn and in developing and improving facilities for care of full-term and premature infants, 101
Health service, local, structural necessities for, 231
Heart, catheterization in diagnosis of congenital anomalies of cardiovascular system, combined use of angiocardiography and, 643
diagnosis and prognosis of, congenital disease of heart and vessels, 704
failure, management of, in infants and children, 705
growth of, related to bodily growth during childhood and adolescence, 382
Record, stethoscopic, 238
value of catheterization of, and other physiologic procedures in diagnosis of, diseases, congenital, 330
congenital, and blood vessels—catheterization, 704
Helmholz, Henry, 142
Hematocolpometra, urinary retention due to, 567
Hematoma, subdural, 707
Hemophilus influenzae type B croup, 559
Herbolsheimer, Henrietta, 101
Hewitt, Edith S., and Aldrich, C. A., 69
Histoplasmosis and coccidioidomycosis, systemic mycoses (RTD), 709
Hodes, Horace L., and Cobb, S., 303
Holt, L., Emmett, Jr., 703
Homes, maternity, in Great Britain, 638
Homes, private, and child caring institution, an outbreak of nausea, vomiting and diarrhea transmitted to, 677
Hospitals in United States, incidence of breast feeding in, 313
Hubbard, John P., 135, 228, 361, 622, 734
and Sisson, W. R., 455
and Wilson, J. L., 456
Hurtado, Felix, 453
Hypocalcemia, 703, 737

Ilium, fracture of anterior spine of, 186
Immunizations, pediatric, practical and immunological aspects of (RTD), 722
Injury, accidental, in epileptic children, 85
Infancy, acute diarrhea in, 525
childhood behavior sequelae of asphyxia in, 74
and childhood, recognition and treatment of increased intracranial pressure in, 533, 707
Infant care, guidance in maternal and two months before and after birth of first born, 200
full-term, care of, 107
galactose studies in, with idiopathic galactose intolerance, 666
Infants
newborn, cup feeding of, 544
effects of cup, bottle and breast feeding on oral activities of, 549
function of federal government in protecting, and in developing and improving facilities for care of, 98
full term and premature, program to develop and improve facilities for, 97 (Panel Discussion)
nutrition of (BR), 238
premature, program for care of, 110
322, with erythroblastosis, reproductive histories of mothers of, 369
young, response of to ingestion of ammonium chloride, 290
Infants and children
immunologic and biochemical studies in, with special reference to rheumatic fever
I. Role of genetic susceptibility, 239
II. Complement titers in normal conditions, 242
III. Complement titers in abnormal conditions, 248
IV. Occurrence of agglutinins in normal and abnormal conditions, 410
V. Electrophoretic patterns in blood plasma and serum in normal children, 570
management of heart failure in, 705
Ingraham, Franc D., 707
Institution, child caring and private homes, outbreak of nausea, vomiting and diarrhea on maternity service, transmitted to, 677
Insurance, compulsory government, or blue shield, 615
International news and reports, 236, 363, 499, 637, 749
International pediatric association, 466
Intracranial pressure, increased, in infancy and childhood, recognition and treatment of, 533, 707

Janeway, Charles A., 489, 705
Jasper, Herbert, 707
Johnson, Arnold L., and McRae, D. I., 643
